Team - please see Colonial Pipeline Update below.

One of our NCHART Helos began SAR missions today. The second Helo had a maintenance issue but will soon be in operation.

Tomorrow, we will deploy 5 Swift Water Rescue Teams (Charlotte, Raleigh, Greensboro, Fayetteville & Henderson County teams) to College Station, TX. Mission was accepted this afternoon by TX. There will be 92 personnel. Approximately 50 SWRTs from across the nation are now on their way to TX.

Questions to the undersigned at your convenience.

Thanks!

Best,  
Mike
